Subject: Environmental Group Letters re 2022 NYC Filtration Avoidance

Hi Walter -

Thanks to you, Lisa and the entire team for meeting with me and my colleagues from Riverkeeper and the Catskill Center to hear our thoughts about the ongoing 2022 New York City Filtration Avoidance negotiations.

As requested, we are attaching the two letters our organizations have recently delivered to all stakeholders concerning, among other things, the evolution of the Land Acquisition Program and the Streamside Acquisition Program.

Can you please share these two letters with Lisa, as well as Javier, Alyssa, Katy and anyone else I may have missed?

Many thanks in advance.
